

HOLIDAY SAFETY HINTS

‘Tis the season to entertain, be with friends and shop for holiday gifts. It’s a busy time, and it’s easy to become distracted. Sometimes this leads to purses being left on store counters, packages being left in plain sight in unlocked cars, and expensive gifts being stored in unlocked residences.

Last year we experienced over two hundred burglaries. The Morgan Hill Police Department encourages residents to slow down and be aware of your surroundings. Keep track of your personal belongings and secure holiday packages in the trunk of your vehicles. Lock your doors when you leave home and do not leave valuable property where it is easily seen by would-be burglars.

Have a safe and enjoyable holiday season.
